Re: Tree Trimming/Removal Request

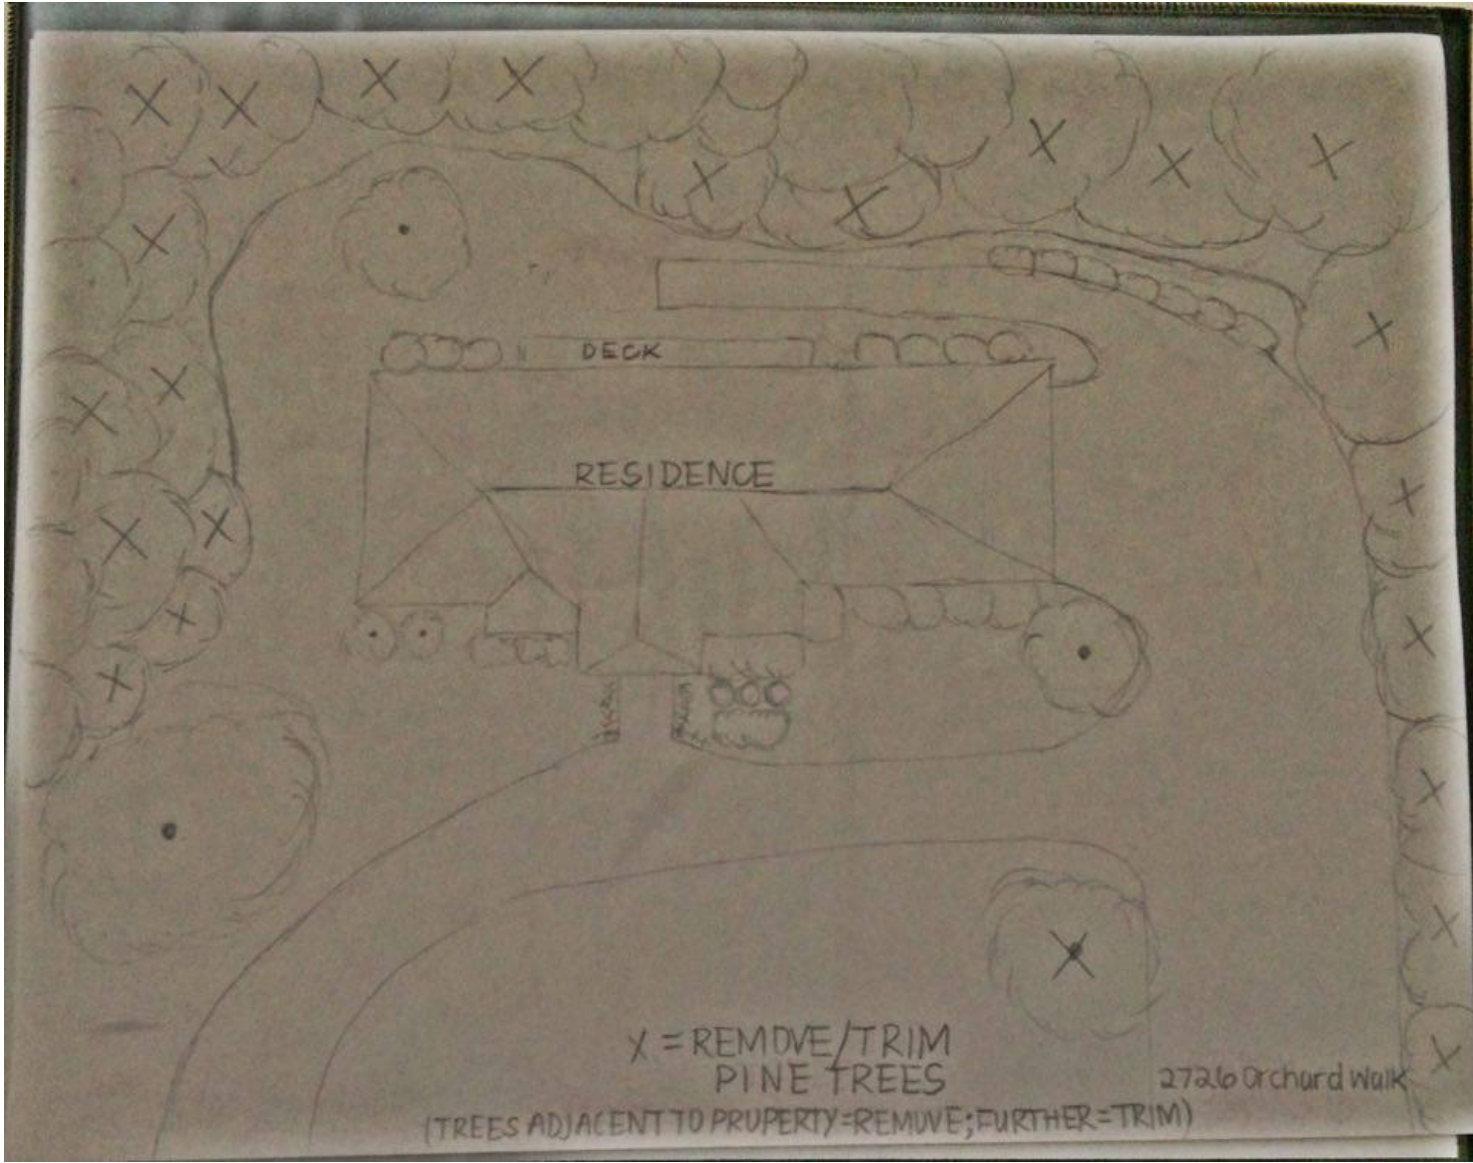

Dear Spivey Orchard Estates HOA,

I am submitting this form to request permission to have a licensed tree contractor (*Prudent Tree Service*) trim back and/or remove the trees that line the east, west, and south side of my property. The rows of trees have not been properly maintained by the previous owner. As a result, it is causing driveway damage and also potential roof damage. If the trees are not removed, it will only worsen with the passage of time.

For your review, I have attached a diagram showing the trees that will be removed/trimmed. Please contact me at 770-210-3782 or slouang2@gmail.com if you have any further questions.

Sincerely,

Seng Louangxay
